

Northern Plains Dance Experience

2009

Dear Dancers and Families,

Northern Plains Dance is proud to offer its second annual Summer Dance Experience, June 8th - June 20th, 2009, the only dance camp of its kind in North Dakota.

With Northern Plains Dance Experience 2009, it is our wish to nurture the growth of young dancers of the Great Plains region with a faculty of professional dancers from around the nation. For two weeks, young dancers can immerse themselves in a variety of dance forms, concentrating on technique, artistry, musicality, and expression. Our outstanding faculty will serve to inspire our students to achieve high standards and confidence through this exposure.

The Northern Plains Dance Experience is designed for the well-rounded dancer who is interested in all forms of dance. Each day will begin with a ballet class to prepare the students for training in a variety of dance forms including, modern, contemporary, tap, and hip hop, along with repertory, variations, pas de deux, pointe, Pilates, and yoga. In addition to each day's technique classes, the dancers attend enrichment lectures on dance related topics like nutrition, kinesiology, and injury prevention to increase their understanding of dance as a whole. Evening and weekend group activities will ensure that the Northern Plains Dance Experience will be a summer full of new friends and memories.

Northern Plains Dance invites students to choose the schedule that is right for them, either one or two weeks of full or half days. Students who do not reside in Bismarck are welcome to stay in our fully supervised residential program at Bismarck State College dormitories. The additional cost of the residential program will include room and board along with transportation to and from the studio and other activities.

Participants of both weeks of the Northern Plains Dance Experience have the opportunity to perform alongside the professional faculty and other guest artists in a one-act ballet on the outdoor stage at Sleepy Hollow Arts Park on the evening of June 20th. The ballet will be performed in conjunction with the Sleepy Hollow Midsummer Festival and promises to provide a magical ending for the students' Northern Plains Dance Experience.
